

How do I help my student access Google Classroom from home?

1) Open internet with Google Chrome and on the Homepage look at the top right corner:

a)

If it looks like this
Then skip to step d)

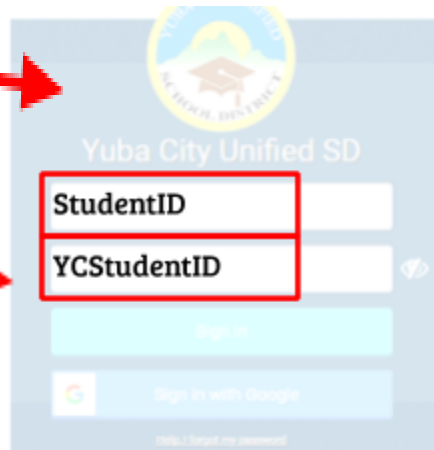

Upper right corner of screen

If it looks like
Then start at step b)

<p>b) i) Left click user icon ii) Sign out of all accounts</p>	<p>c) Choose Continue</p>	<p>d) Left click Sign in</p>
<p>e) Left click Use another account or your students account</p>	<p>f) 1) Type in email: StudentID@learn.ycusd.org 2) Next</p>	<p>g) 1) Type in password: YCstudentID 2) Next</p>

2) Go to Yuba City Unified's classlink page at <https://launchpad.classlink.com/ycusd>

3) Type in the students' information:

Login: student's ID number
Password: YCstudentID

4) Choose Google Classroom icon: Location may be different on your home page.

5) You will see an invite

Left Click on Join.

You will have no invites and you must use your class code.

OR

- 1 - left click on "+" on top left corner screen
- 2 - Left click on option **join** class
- 3 - Type in the class code provided by teacher
